

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF MARTIN	)	CASE NO. 10204-E
GAS, INC.	)	

O R D E R

On September 16, 1988, the Commission issued its Order in Case No. 10204 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On August 23, 1990, Martin Gas, Inc. ("Martin") notified the Commission that its wholesale cost of gas had been decreased by its supplier, Columbia Gas of Kentucky, Inc. ("Columbia"), effective September 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Martin's notice of August 23, 1990 set out certain revisions in rates which Martin proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier.

2. Martin incorrectly calculated its proposed adjustment using a base rate for Columbia purchases of \$3.3419 per Mcf.

Columbia's base rate for calculating Martin's adjustment should be \$3.3029.

3. The rates in the Appendix to this Order are designed to pass on the wholesale decrease in price in the amount of \$13,711 or 32.16 cents per Mcf. The effective date for the decrease should be on and after September 1, 1990.

4. Martin should file with this Commission the amount of any overcollections received from September 1, 1990 to the date the approved rates are implemented, along with a refund plan.

5. The corrected adjustment in Martin's rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 10204 dated September 16, 1988 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after September 1, 1990.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Martin are denied.

2. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after September 1, 1990.

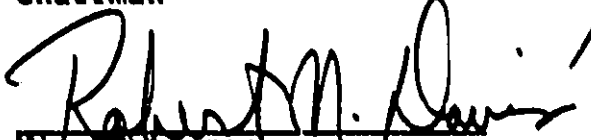

3. Within 30 days of the date of this Order, Martin shall file with this Commission its revised tariffs setting out the rates authorized herein.

4. Within 30 days of the date of this Order, Martin shall file the amount of excess revenues collected, along with a refund plan.

Done at Frankfort, Kentucky, this 28th day of September, 1990.
